TALKS AND TEACHING

TorontoJS Meetup Lightning talk

- Talk on how to integrate D3 into your React project
- Slides: slides.com/julienassouline/r
- repo: github.com/JulienAssouline/JS-Meetup-Talk-Example

Python bootcamp instructor for TRSM

- Created bootcamp material to teach business students python and pandas.
- Taught multiple bootcamp sessions, and students.
- repo: github.com/JulienAssouline/Python_bootcamp

PROJECTS

hiRED

- Build a platform that connects students to alumni's.
- Includes a list of available mentors, ability to chat, profile page, ability to add and upload projects, and more.
- Built with React, Apollo, GraphQL, and PostgreSQL
- repo: github.com/JulienAssouline/hiRED

SpaceX

- Using the SpaceX API to build an api where you can view and book trips.
- Built with React, Redux, Apollo, GraphQL, and PostgreSQL
- repo: github.com/JulienAssouline/SpaceExplorer

WORK EXPERIENCE

Full Stack Developer

Senior Care Connect | APR 2019 - Jun 2019

- Full stack mobile app for client that connects seniors with caregivers.
- Built with React Native, Redux, Apollo, GraphQL, and PostgreSQL
- Implemented designs from designers. Used git for workflow and reviews.

Interactive Developer Intern

CBC | Sept 2018 - Oct 2018

- Used JavaScript and Python to improve and build new features on web projects such as the Sunshine List application.
- Was viewed/used by more than 100,000 people. Worked with reporters to get data and build responsive web visualizations for stories.
- Performance optimization with REGL and Canvas.

JavaScript Developer Intern

Flourish | May 2018 - August 2018

- Used D3 and JavaScript to build and design flourish templates (Flourish is a data visualization software)
- Lead developer for the parliament and chord diagram templates.
- Fixed bugs, applied new modules, and added new features across all templates

EDUCATION

Red Academy

Full Stack Developer program | April 2019 - July 2019

- Built web and mobile applications. Learning both frontend and backend modern technologies.

Ryerson School of Journalism

Bachelor of Journalism | Sept. 2015 - Apr. 2019

Columbia Graduate School of Journalism

PostBac data journalism | May 2017 - August 2017
